NO CHAUTAUQUA

Will Be Held in Maysville This Year—
Guarantors Decide That Nothing
Can Be Done to Get a Seven
Day Entertainment For
This Summer.

A meeting of the guarantors of the Maysville Chautauqua for 1917 was held yesterday afternoon at 4 o'clock in the office of the Chamber of Commerce. At this meeting it was decided to hold no Chautauqua this year.

A contract was secured with the Lincoln Chautauqua Company last summer, a first class Chautauqua being promised by them, some extraordinary good numbers being promised during the seven days of entertainment. Up until about three weeks ago the guarantors supposed that the com-

pany would fulfill their contract. Since that time however the company has refused to fulfill their contract with the Maysville people. They first tried to substitute a Chautauqua of an inferior quality but the guarantors would not stand for this. They then absolutely refused to fill the contract.

The guarantors tried to make a contract with some other company for the summer's Chautauqua but this was impossible owing to the lateness of the season.

WILL LAY NEW RAILS

WINDUP TONIGHT

Of the Commencement Week of the School Term of 1916-17—Forty-Six to Receive Diplomas From the High School.

The annual Commencement of the Maysville High School will be held this evening at 8 o'clock in the auditorium of that building. At this time 46 young men and women of the city and county will receive diplomas from one of the leading High Schools in Kentucky, the Maysville organization being one of the foremost.

The class to receive diplomas tonight is the largest ever graduated from the High School. This class started in the High School with over 90 members. At the beginning of the present year there were 50 members of the class but several dropped out. The class next year will number about 30 members.

Immediately following the Commencement Exercises the annual Alumni Dance will be held. At a recent meeting of the Alumni Association it was decided to dispense with the banquet this year and to hold the dance following the Commencement. The music will be furnished by Parkers Popular Players of Columbus, Ohio, whose music is ever pleasing at a dance. All are invited to attend this dance. The High School auditorium contains one of the best dancing floors in the city.

Yesterday afternoon the graduating exercises of the Eighth Grade of the schools was held. A very interesting program was carried out of song and recitations. Forty-two received diplomas from the grammar grades as follows:

Elizabeth H. Barbour, Eugene R. Barkley, Jennie L. Barkley, William Arthur Brubaker, Bessie S. Brubaker, Robert L. Buckley, Georgia V. Carrigan, Georgia E. Chambers, Nan B. Chenaunt, Nelson Childs, David W. Cole, Adelaide T. Davidson, Clarice A. Day, Mary A. Downing, John R. Gantley, Clarence N. Ginn, Robert Harover, Bulah D. Harry, Raymond M. Hirschfeld, William Blair Houston, Elouise S. Houston, John A. Keith, Albert S. Knox, James C. Lynch, William Mathews, Leslie C. McDowell, Mary C. Pollitt, Robert W. Powers, Mildred R. Proctor, William H. Rice, Louise D. Rogers, James B. Ross, Milton C. Russell, Abbie D. Shea, Georgia L. Simons, William Leslie Slye, John T. Strode, Louis B. Threlkeld, Earl E. Todd, Joe H. Wadsworth, Leslie A. Walker, Leslie K. Worthington.

The Colored Commencement was held last night at the Opera House. The curtain did not arise until 8:30 making a tedious wait. The program as published in the Ledger was carried out with the exception of Reading from Dunbar. The graduating class consisted of seven females, intelligent, capable Misses, who through much deprivation and hard work nobly assisted by their parents have come forth with their certificates to perfection on a scroll delivered as the concluding exercises by Superintendent W. J. Caplinger. Each one of these graduates delivered an address and we forget their color, previous condition when we remember what they said and how they said it. All were good. With less flamboyancy, less high falooting language and more common sense, wide teachings than we have heard for many a day. The musical part was rendered by Mrs. J. E. D. Woods at the piano and Mrs. Knox a highly cultivated soprano. Both were generous in dispensing their talent and the audience was regaled and delighted. To Prof. Humphrey and his corps of teachers Maysville owes a vote of thanks and the Ledger here tenders him and them an encore. Their ability and untiring energy are making Maysville Public Colored Schools most successful. One thing we noticed however not a male in the class. Why? Cannot we not have a night school to take in these young men who work through the day. Citizens and School Board think of it.

FUNERAL OF MRS. EITEL

The funeral of Mrs. Matilda Eitel, who died at her home in Denver, Colo., on Tuesday, will be held here on Saturday afternoon at 2 o'clock at the Christian Church, of which she was a devout member. The body will arrive here on Friday afternoon. The services will be conducted by the Rev. A. F. Stahl and the Rev. Dr. John Barbour.

Mrs. Eitel was 74 years of age. She is survived by four daughters, Miss Tillie Eitel, Mrs. A. D. Thompson and Mrs. Lizzie Britschneider of Denver, Colo., and Mrs. Carrie L. Tuel of St. Louis, Mo., two sons, John W. and George Eitel of Maysville.

Mr. James Threlkeld who has been teaching school in the state of Georgia, has arrived to spend the summer with his parents, Mr. and Mrs. James E. Threlkeld of West Second street.

TWO WILLS FILED

In the Mason County Court Yesterday—
Counsellman Godfrey Hunsicker
of Maysville and Dennis Guilfoyle
of the County—Leave
Property.

In the Mason County Court yesterday a paper bearing the date of February 11, 1909, and purporting to be the last will and testament of Godfrey Hunsicker, deceased, was produced in court and ordered filed. The due execution of the paper was proven by the testimony of J. E. Parker and Daniel Perrine, attesting witnesses and admitted to probate.

Mr. Hunsicker left his property as follows:
"After the payment of all my debts I will to my three children by my first marriage, namely, Flora, Frank and Herma, the sum of \$100 each.

"The balance of my estate I will and bequeath to my wife, Madeline Hunsicker.

"My executor, W. W. Ball, Sr., is authorized to continue my business for two years after my death should he think it to the interest of all concerned and he is authorized to sell and convey all of my estate, both real and personal and after closing to carry out the provisions of my will."

A paper bearing the date of May 7, 1917, and purporting to be the last will and testament of Dennis Guilfoyle, deceased, was produced in court and filed and ordered to be recorded. The due execution of said paper was proven by the testimony of Miss Kathryn Oldham and J. M. Collins and admitted to probate.

Mr. Guilfoyle left all of his estate to his wife and named her as executrix of his estate without surety.

Other court orders of the day were as follows:

Agnes Guilfoyle, named in the last will and testament of Dennis Guilfoyle, deceased, as executrix thereof appeared in court and qualified as such without surety as requested in the will.

On proof in open court that O. B. Mitchell is a regular pastor of the Lewisburg Baptist Church, he was granted the right to perform the marriage ceremony and executed bond with C. N. Bollinger as surety.

Miss Mary Paige Maltby will arrive Friday from Austin, Texas, where she has spent the past ten months attending the University of Texas. Mrs. Maltby's mother, Mrs. Gogin, will accompany her.

BOARD OF EDUCATION

Meets in Regular Monthly Session at the High School Last Evening—
Little Business of Importance Transacted.

The Board of Education of the Maysville Public Schools met last night in regular monthly session all members being present except Messrs. Cochran and Russell.

Several of the ladies of the Parent-Teacher Association of the Center District appeared before the Board and asked that the lot owned by the Board immediately adjoining the High School be turned over to their organization for play ground purposes for the children. On motion later in the evening the matter was turned over to the Property Committee.

A report from the rules and regulations committee was read. Several changes will be made in the rules of the Board, chief of which are as follows:

The election of teachers and principals shall be held in April instead of in May.

The election of the Superintendent of the Schools shall be held in March instead of April.

A number of changes were made in the High School rules, one of which makes the honor pupil the one making the highest average during the

Tires that did not require setting in thirty years—on a Studebaker

WHEELS are the life of a wagon. Hubs, spokes, felloes and tires of the best materials, put together by skilled workmen, go into every Studebaker.

What is the result? Mr. William H. Horton, of Nineveh, N. Y., writes that the tires on his thirty-six year old Studebaker farm wagon did not need resetting in thirty years—and the wagon was in use every day.

We can prove to you that this is not an exceptional Studebaker wagon. There are thousands of Studebaker wagons in use today that are forty years old and more. And that have cost their owners little or nothing for repairs.

Come in and look over our stock of Studebaker vehicles. Let us show you how well they are built.

THE TIME HAS COME

The time has come—
“When reason primes the rifle,
When honor draws the sword,
And Justice breathes a blessing
On the cause that we uphold.”

OUR FISH SUPPLY

Officials of the fish and game department of this State are trying hard this season to stock the streams of almost every county better than ever before, and they should have the hearty co-operation of every citizen of Kentucky. Out of the streams of Mason county is coming even now as good as may be found anywhere, and food that costs but a few cents. Each fish taken from the streams of the county means a conservation of various other foods that can only be had at war-time prices, and then not in such quantities as we have been used to securing in former years.

In view of the fact that thousands of people in the State, and hundreds of them right here in Mason county, will be enabled to cut the cost of living a good deal during the summer months by eating fish taken from local streams, greater conservation of the fishy tribe should be the rule from now on. The smallest fish will sometime, if permitted the freedom of the waters, become large enough to edible size, care should be used in removing it from the hook, and it should be returned to the water immediately. The bucket of minnows still on hand at the close of a day's sport should not be thrown into the grass at the side of the stream. Some of the minnows apparently dead may revive in fresh water, and the contents of the bucket should be emptied into the stream.

Game wardens are guarding against “fish hogs” more closely now than ever before. The man with net and dynamite and lure is coming to be looked upon not only with disrespect, but with hatred by the general public. Taking fish in any way recognized by the statutes of Kentucky is illegal in the meanest form, and every case, even where there is only cause for suspicion, should be promptly reported. Conservation of fish in the streams of Mason county is another form of getting the cost of living back where we'd like to have it.

A MAN SHOULD READ FOR SELF PROTECTION

Do you read the advertisements? How do you know but what you are paying two prices for seed potatoes, groceries, shoes, clothing, implements, wagons, buggies, lumber, and in fact we might go through the entire wants of mankind.

The fact that advertisements are paid for does not mean that they contain nothing of interest; but it is just the reverse. The advertiser has got something that he considers better for the price; or cheaper at the price asked, some new invention, or something of interest. The person who does not read these bulletins of prices and progress are doing themselves an injustice. Everybody should know in these times where his dollar will go the farthest. Where the choicest articles are to be had. What and where new and labor-saving machinery can be purchased.

By not reading ads you are liable to have any old thing poked off on you. You would not know the difference until you met a progressive buyer. Then you would get mad at the merchant who sold you the goods.

Read the ads. Forewarned is forearmed.

AS an American citizen, as a lover of Freedom, as one who wishes to hasten the coming of a Righteous Peace, it is your duty to buy a Liberty Bond.

In no other way can you, right now, do your country a greater service. Let the bond you buy be for as large an amount as you can afford. If necessary, make a personal sacrifice to do this.

The money you pay for a Liberty Bond is not given away. It is invested in the safest investment in the world—a United States government bond. Behind it are the entire resources of the United States. The Liberty Bond you buy pays 3½ per cent interest and is exempt from all taxation, except estate or inheritance taxes.

Buying a Liberty Bond is as simple as buying a suit of clothes. Go to any bank, trust company, express or post-office and ask for an application blank. Make a first payment of two per cent (\$1 in the case of a \$50 bond; \$2 for a \$100 bond) when you subscribe and arrange to make other payments when they fall due—June 28, July 30, Aug. 15, Aug. 30.

Liberty Bonds are salable anywhere and at any time. Any banker will accept them as security for a loan. They are issued in these amounts: \$50, \$100, \$500, \$1000 and up.

JAPS LEARNING TO FLY
Tokio—Army authorities are striving to overcome Japan's backwardness in aviation and are finding some satisfaction in the fact that eleven Japanese aviators received diplomas this month from the Nippon Flying School. This is the largest class to be graduated in Japan from a civilian aeroplane institution.

In addition to instructing aviators the school maintains its own aeroplane factory near Tokio, and accepts passengers for flights, charging \$7.50 for each person.

500 BELGIANS STARVE TO DEATH IN GERMANY
Harve, France, June 13—The death by starvation within three months of 500 Belgians interned in Germany is reported in a semi-official statement given out here.

“According to information received by the Belgian Ministry of War,” the statement says, “Belgian civilians interned in a German camp near Luebeck refused to work. Out of 2,000 interned 500 died of starvation in three months. The condition of the survivors is described as pitiable.”

CHINESE HELD IN GERMANY
Pekin—Chinese students who were in Germany when diplomatic relations between China and Germany were severed, still are held there. Although definite advice are lacking as to the conditions under which the Chinese students are detained, Germany stoutly refuses to release the Chinese students and is apparently holding them as hostages against the safety of Germans in China.

USE OF CANALS ADVOCATED BY ENGLISH NEWSPAPERS
London—Shortage of labor is preventing fuller use of the canals in this country to relieve the congestion of railway traffic. Hundreds of canal boats are tied up in various parts of the country for want of men to operate them. At present only about 2,400 miles of the total of 4,053 miles of canal system are in use in England and Wales. When the canal traffic was at its height in 1905 the traffic amounted to 37,500,000 tons.

REED BLOCKS RAILROADING OF PRIORITY SHIPMENTS
Washington, June 12—Efforts of majority leaders to curtail debate on the administration's priority shipments bill and secure agreements for a final vote tomorrow were blocked today by Senator Reed.

The Missouri senator declared the bill deserved the most serious consideration and announced that because of the failure of a majority of Senators to remain in the chamber, he intended calling for a quorum at frequent intervals. He forced a quorum call three times during the afternoon.

PRESIDENT TO HASTEN ACTION ON FOOD BILLS

Washington, June 12—Congress' delay in enacting food legislation was taken up by President Wilson and the cabinet today and the President, it is understood, decided to take steps to hasten action. He probably will not make a special address to Congress on the subject as has been suggested, but may call in congressional leaders again to impress upon them the need for immediate passage of the bill.

A delegation of labor leaders and congressmen who yesterday called on the President to ask him to urge early consideration of food measures will see Herbert C. Hoover tomorrow. Grant Hamilton, a member of the delegation and a member of the legislative committee of the American Federation of Labor, announced today that if labor generally approves the bill, a campaign will be started to have labor unions urge on their congressmen, passage of the measure by July 1.

"The reason that July 1 is selected as the latest date," said Mr. Hamilton, "is the fact that already harvests are being gathered in Texas and by July the flow of new grain into elevators will be general. It will then be controlled by speculators unless the government secures legislation providing it with machinery whereby a sufficient amount of grain can be kept in this country for our own use and a price be maintained that will be liberal to the producers and reasonable to consumers."

"While wheat receives the first consideration, there are a number of other staples for which it is necessary for the government to exercise its authority in proper distribution as well as in protecting producers and consumers alike against speculators and middlemen."

Mr. Hoover expects to have the organization of the food administration complete when Congress passes the control bill.

In applying the new law the government's purpose, aside from preventing supplies from reaching the enemy, will be to conserve all American resources, first to make America effective in the war, second, to make the Allies effective, and third, to befriend neutrals friendly to the alliance. The power to readjust shipping routes and supply sources is expected to effect a tremendous saving in tonnage by reducing long hauls. The neutral nations have expressed much concern over America's possible policy and three of them, Norway, Sweden and Switzerland have sent special commissions to this country to present their needs and requirements. They also have developed a mass of statistics as to their foreign trade which they hope will induce this country to be as generous as is consistent with thoroughness in the furnishing of supplies.

America's final incorporation into the Allies economic strength, with the legislation passed today, gives the alliance the practical trade domination of the whole world outside the German empire. The neutrals are practically helpless without allied shipping and coal.

REGISTRATION IS EXPECTED TO TOTAL 9,500,000

Washington, June 12—War registration returns in tonight from thirty-seven states indicated that when all states have reported the total enrolled will exceed census estimates of eligibles, deducting the 600,000 men now in military and naval service not required to register. The provost marshals general's office estimated tonight that total registration in the United States will be nearly 9,500,000, slightly more than 90 per cent. of the census estimate of 10,298,000 eligibles between the ages of 21 and 30, inclusive. Deductions indicated by the war department, however, would reduce the census estimate about 12 per cent., or to a little more than 9,000,000.

With eleven more states to report war department records showed tonight that 7,129,000 have registered, as compared with census estimates of 7,773,467 for the states reported. Of those registered 5,546,073 were white, 847,852 colored, 807,868 aliens, and 94,311 alien enemies. Indicated possible exemptions were 4,111,453.

Some of the states not yet reported will show excess over their census estimates, according to incomplete tabulations, and will help to raise the aggregate percentage.

LIBERTY BELL WILL SOUND LAST HOUR TO BUY BOND

Philadelphia, June 12—The voice of the old Liberty Bell, America's most sacred revolutionary relic, will be heard again in Independence Hall cracked and silent since 1835 when it broke tolling for the death of Chief Justice Marshall. It will give forth a maimed appeal on Thursday when Mayor Smith is to strike it with a golden hammer to sound a tocsin for the Liberty Loan.

This strange note from the ancient bell, which first proclaimed America's liberty will be rung at noon and news of it will be immediately flashed by telegraph to every city and town in the United States and her possessions. Simultaneously church chimers, steam sirens, factory and car whistles will be sounded from the Atlantic to the Pacific coast to rally laggards to the last chance of subscribing for Liberty Bonds.

SLACKER IS SHOT WHILE ATTEMPTING TO ESCAPE

Virginia, Minn., June 12—Nick Luoma, said to be a member of the Industrial Workers of the World, was shot here today while attempting to escape from the custody of officers who had arrested him on a charge of not having registered last Tuesday. His wound is believed to be not serious. The list of men arrested in this neighborhood for failing to register is expected to reach fifty by midnight. Nine were arrested yesterday at Chisholm.

Seven are held at Brainerd, all said to be members of the I. W. W.

AIR SUPREMACY CLAIMED BY TEUTONS IN REPORT

Berlin, June 12—During the month of May the Germans lost seventy-nine airplanes while the Entente Allies lost 262 machines, says the official statement issued today by the German army headquarters staff. The statement says that 114 Entente airplanes fell behind the German lines and 146 British and French machines were forced down within the German zone of operations.

DON'T WAIT

Take Advantage of a Maysville Children's Experience.

When the back begins to ache. Don't wait until backache becomes chronic.

"Till kidney troubles develop; Profit by a Maysville woman's experience."

Mrs. R. W. Lauderback, W. Second St., Maysville, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

Mrs. Lauderback is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mrs. Lauderback—the remedy backed by home testimony. 50c all stores. TEAMSTER FINED THREE \$100 LIBERTY BONDS

Akron, Ohio, June 12—The sale of Liberty bonds was given an unexpected impetus in police court this morning.

A teamster and his son were before Police Judge Vaughan on charges of special intoxication.

The disorder was due to family troubles and Police Judge Vaughan reached the conclusion that the public interest would not be injured if no fine was meted out.

But Judge Vaughan had no intention of not causing them to recognize responsibility.

"We're at war," he said. "Liberty bonds are being sold in order to finance the war. It is a patriotic act to buy a bond. I suggest that you buy one."

The teamster saw the force of the "suggestion." He bought a \$100 bond for himself, one for his son and one for his wife.

ITALIANS MIX SUGAR WITH SACCHARINE SOLUTION

Rome—Sugar mixed with saccharine is now sold here at 50 cents a pound. The government previously fixed the price for ordinary granulated sugar at 25 cents a pound, but owing to the small stock in Italy, saccharine has been added and the price raised. It is stated that the new grade of sugar is three times as sweet as the old one. Even at the new price, sugar is very difficult to obtain in more than 5-cent package lots, the grocery stores selling it only to regular customers or to persons buying pound packages of coffee. The government issued a decree providing for food cards, allotting so much food per day to each person, but it is doubtful if the food card system will be ready before the end of the war.

HORIZONTAL FREIGHT RAISE HEARING CLOSED BY I. C. C.

Washington, June 12—Hearings on the applications of the railroads of the country for a fifteen per cent horizontal raise in freight rates were closed today by the Interstate Commerce Commission. The commission has eighteen days before it is which to consider the case.

SYMPTOMS OF HER DISEASE

Backache, Sideache, Nervousness, Dizziness, Faintness, all Disappeared After the Woman's Medicine was Taken.

Kingfisher, Okla.—"For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound."

After taking ten bottles I am now well and strong, have no more pain, backache or dizzy spells. Everyone tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it. —Miss Maud Bourawick, R. F. D. No. 4, Box 23, Kingfisher, Okla.

Every woman who suffers from female troubles, nervousness, backache or the blues should try Lydia E. Pinkham's Vegetable Compound as Mrs. Southwick did, or if they need free advice in regard to any annoying symptom write to Lydia E. Pinkham, Medicine Company, Lynn, Mass.

HAIRCUT AT 50c WILL BE PROBED

Cleveland, Ohio—The barbers in this city have overstepped themselves. A raise in the price of haircuts from 35 to 50 cents caused County Prosecutor Doerfler to announce he was going to make an investigation. He thinks it may constitute a violation of the Valentine anti-trust law. He even intimates the grand jury will investigate the raise.

Price Advance

Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. one at the morning service, the other at the evening. Both of these gentlemen are quite old but have assured Dr. Barbour that they will be present.

On Sunday afternoon there will be a meeting in the auditorium at which time exercises will be held, consisting of a historical account of the chief epochs in the church, followed by addresses from the pastor and some of the leading laymen.

On Monday night there will be a social given in the church to which all of the friends of the congregation are cordially invited. Reminiscences will be given by some of the older members of the church, who have gone into other cities.

On Tuesday night the Rev. Dr. W. C. Condit of Ashland, who has served over 50 years as pastor of the church at that place and the Rev. Horace Wilson of Lansing, Mich., who was formerly a member of the congregation of the church, will deliver an address closing the meeting.

Members from all other churches of the city are invited to attend these services and especially members from Presbyterian Churches in this section of the state.

STOP LOOK and LISTEN! WAR

This is What We Are in For

If your house had been ransacked and burned, and your relatives and friends had been outraged, as have the Belgians and French, you would be bursting with rage and ready to fight, and fight to a finish.

Bombs with long but perfect connections have been set under the foundations of this government.

The fuse is burning towards our shores.

Shall we wait till the terrible explosion takes place, or shall we act now?

The war is with us. We may not see its flames today, but our homes, our liberty, our freedom and our all, are at stake. And it is vitally necessary that the Liberty Loan be fully subscribed immediately in order to equip our boys RIGHT. The Government has offered for sale two billions of bonds in denominations of \$50, \$100, \$500 and upwards. Your plain duty is to buy as many of these bonds as you can. They can be bought on the partial payment plan. The first payment need only be 2%, \$2 on a \$100 bond. Anyone with any pocket money or an allowance of any kind can find no excuse for not buying at least one \$50 bond.

AS GOOD AS GOLD
And remember that this bond is the soundest investment in the world. It is a first mortgage on the United States—a piece of the wealth of the wealthiest of nations. It pays you interest at 3½% semi-annually. You are saving for yourself, the very money you save lives with.

Do something today to save the lives that you know you can aid in saving. Subscribe yourself to one or more bonds; get your friends to subscribe; give a Liberty Loan Bridge, or a Liberty Loan Tea, or some form of entertainment which will raise funds to buy bonds with.

IT IS YOUR DUTY. IT SHOULD BE YOUR PRIDE AND PRIVILEGE, TO DO THIS WORK.

YOUR PATRIOTIC DUTY

BUY A LIBERTY BOND

Danger for the complete success of the Liberty Loan lurks in over-confidence.

The announcements in the press of large applications by institutions and men of great wealth are apt to engender the comfortable feeling that all will be well without the efforts of the small subscribers. This line of thought together with the idea that through over-subscription—minor allotments may not be made, must be dispelled from the mind of every patriotic citizen.

It is not sufficient that this issue should be merely a bare success. It must be a striking demonstration of the overwhelming strength of purpose animating all sincere friends of Liberty to bring the war to a speedy and successful termination.

The eyes of the enemy are watching this preliminary skirmish and our victory must be made effective by a truly popular subscription exceeding MANY TIMES the amount offered.

It behooves every INDIVIDUAL to let his action be entirely guarded by the conviction that upon HIS ULTIMOST PERSONAL EFFORT depends the only result worthy of the great cause which all free men desire and INTEND to make triumphant. Hesitancy as to the importance of the amount available should not be allowed to prevail. The Bonds are in denominations as low as \$50, and all purchasers of one of these will contribute their quota towards swelling the volume of subscriptions. No thought of the detail work attendant upon subscribing to the loan need deter. We will—as we have already stated—attend to that free of any charge. All that is necessary is that we receive notification of the amount desired.

CENTENNIAL CELEBRATION

Of the First Presbyterian Church Will Be Begun Sunday—One Hundredth Anniversary to Be Appropriately Observed.

The centennial celebration of the founding of the Presbyterian Church in the City of Maysville will begin on Sunday night in a Union meeting of the Protestant Churches of the downtown district in the First Presbyterian Church and will continue until Tuesday night.

Today, June 14, marks the one hundredth anniversary of the organization of the Church by a committee of the West Lexington Presbytery, of which the Rev. Robert Wilson of Washington, Ky., was moderator. Mr. Wilson with others supplied the pulpit until 1820, when the first regular pastor, the Rev. John T. Edgar came to Maysville.

From the very first the Presbyterian Church was prosperous and it became known as one of the leading in Northern Kentucky. The original church was located on West Second street, below Sutton street, remaining there until 1854, or 37 years, when the new Presbyterian Church the one now in use next to the Court House was built. The new church was regarded as a very handsome edifice and overshadowed all in Maysville in splendor.

In 1865 the church divided on account of the Civil War, a portion of the members seceding and forming a church of their own, which was called the Central Presbyterian Church. For a great number of years there was a great hatred between the two branches of the church but of late years this spirit has died out and members from both congregations are anxiously looking forward to the time when their church shall be united.

Of the 12 regular pastors, who have served the church in the one hundred years of its existence, only three are alive. The Rev. G. M. McCampbell of Pittsburg, Pa., the Rev. S. R. Alderson of Topeka, Kan., and the Rev. Dr. John Baarbour, the present pastor of the church. All of the others have passed to their reward beyond the skies.

It would be very interesting to have statistics concerning the number of persons christened, baptised and married within the walls of the church. The numbers would run into the hundreds, among them being leading men of Maysville and Mason county for the past century.

Both of the former pastors now residing elsewhere will be present in Maysville to attend the Anniversary services and will preach on Sunday.
